Forthcoming Events.....

Sorry, only a short one this month. All a rush as usual. Just returned from a holiday, by coach this time, in Austria. We picked a wonderful week of fine and hot weather, and this combined with marvellous scenery a good hotel and good food made for a very enjoyable time. It was a change not to have to do the driving, although I would have liked to have had a go at some of the switchback roads over there! Now combined with a trip to London to retrieve our dog this has left very little time to get this Newsletter out on time. I have had no further correspondence to publish, so this letter will be for information only on what is coming on this month and in the future.

Community Speed Watch Schemes - Police Sergeant Andy Hood

Sergeant Andy Hood co-ordinates the Community Speed Watch Schemes, which have recently been set up in Hopton, Acle, Coltishall, Brundall and the Plumsteads. Volunteers man speed traps in their own village, and persistent offenders are sent Police letters, warning them to slow down, or face 'target police action'. I'm sure you will have views on this scheme, so come along and make them known.

We always enjoy having a Police speaker at our monthly meeting. They are always very interesting with their various duties, and it is always helps to meet 'one of the boys in blue', in the flesh (so to speak). Another tick for your diary.

Christmas fun evening.

All Members are reminded that they can bring a guest to any evening if they so wish and that we have free coffee or tea and a bumper raffle each month.

AN APOLOGY - I have to apologise to Jason Smith, our youngest Committee Member for leaving him off the list of Committee Members last month. I do not know what it is but I seem to have a mental block with Jason. Probably because he is so young and I am so old!!! He has been with us for some time and is a very useful and helpful member. Jason also runs our raffle every month. Sorry Jason.
